

Fee Notice

This fee notice is intended to provide owner/s with an estimate of fees and expenses for the thoroughbreds under the care of [REDACTED]. Fees and charges are invoiced monthly in arrears. It is not possible for [REDACTED] to indicate to the Owner/s in advance the exact total monthly/yearly cost for training a horse. This is because while some fees are charged at fixed daily rate (e.g. daily training fees), others are variable (e.g. treatment for veterinary services, dentistry, transportation etc.). Also, horses vary in the rates at which they mature and progress, including while on agistment and throughout each preparation, which can influence the total of fees for a particular horse. The following fees are as the date of issue of this Fees Notice and remain so until otherwise advised by [REDACTED].

IMPORTANT NOTES

- 1) If the Managing Owner does not object to this Fees Notice within 14 days of it being provided, the basis for charging set out is deemed to have been accepted.

- 3) [REDACTED] may refuse to nominate, enter and accept the Horse from any trial or race where one or more members of the Owners Group are in arrears in the payment of Training Fees and Costs. Furthermore, in these circumstances, [REDACTED] will inform the Managing Owner of arrears of training fees. It is the responsibility of the Managing Owner to liaise and resolve issues with Co-owners. [REDACTED] reserves the right to inform Managing Owner and Co-owners of the reason for such non-acceptance or non-entry. This clause explicitly takes precedence over the provisions of applicable Privacy Legislation.

All services provided are subject to the terms and conditions of the Trainer and Owners Reforms (TOR). The TOR introduces the TOR Rules (which are part of the Australian Rules of Racing), a standard agreement between Owners and Trainers, and a standard agreement between Co-Owners.
