**To Whom It May concern**

I can confirm that I have known Mr Cashington Kudumba born 24/11/1981 for 4 Years.

During this time I have found him to be thoroughly trustworthy, honest and hardworking. He is an excellent rider and has a good idea of the horses ability and fitness. He is also able to feel if the horse has a problem during training, a very important and somewhat rare skill for a workrider. He is a calm and extremely competent rider.

Mr Kudumba will be an asset to any team as a work rider and jockey. I wish him all the best in the future.

Kind regards  
Beverley Deutrom
