He is well versed as a Rider cum Groom. During his tenure with us, he was found to be very passionate and professional about his duty and works diligently. He is punctual and understands good English and instructions. He is sincere and is also hard working. Ummed is also one of our most loyal riders.

Ummed's duties included the following:

- Started at 4 AM
- Ride, gallop, canter, and trot about 7 – 10 horses daily.
- Saddled up all the horses to be warmed up before training.
- Ummed also washed the horses down and put them on the walker and loaded horses twice a week to take them to another training center to do gallops that were done with 9 x times UAE-champion jockey, Mr. Tadgh O'Shea.
- Twice a week Ummed assisted in taking horses through the Starting Gates.

We found Ummed pleasant and well experienced with good knowledge about the racing industry and the fitness of the horses and as a rider.

We know Ummed will succeed and excel wherever his journey may lead him
